December 2017

Dear Jennifer and Friends,

Every day at Mary's Place as we gather for meals, we take a moment to acknowledge all the goodness that surrounds us. Our families call this their time of "gratefuls and thankfuls". Women give thanks for a hot meal, a fresh pair of socks, or a friend to sit alongside them. Our families share gratitude for a safe roof over their children's heads, a warm coat, and support to move forward toward housing. Kids are eager to share their thankfulness for a favorite teacher at school, for a new Lego set, and of course, for mom and dad!

Among the many things that we are most grateful and thankful for is you! It is with a heart full of appreciation that **we give thanks to you for your donation of \$1,000 in gift cards and several bags of toys, received on 11/27/2017!** You help provide a safe, warm place to call home, an opportunity to find housing and employment, and a community that accepts us just as we are.

As you share time with your friends and family this season and share your "gratefuls and thankfuls", know that your Mary's Place family is thinking of you!

Hugs to you!
